Pune, Maharashtra - 411057, India

WORK EXPERIENCE

- **Capgemini technology | Frontend Developer** Nov 2022 - Oct 2024
 - Developed a **React.js-based Test Reports Dashboard**, reducing manual QA efforts and improving bug detection time by 30%.
 - implemented a **responsive UI** using **React.js, Bootstrap, and Chart.js**, enabling QA engineers to analyze test **metrics efficiently**.
 - Integrated **REST APIs** with **Axios**, fetching and displaying real-time test execution results with optimized state management (React Hooks).
 - Optimized performance with **lazy loading, and memoization**, ensuring smooth handling of large datasets.
 - Collaborated with backend engineers to ensure seamless **data flow and error handling**, enhancing dashboard reliability.
 - Conducted **unit testing (Jest)** to improve reliability and debugged UI issues.

EDUCATION

- **Jabalpur Engineering college** July 2021
Bachelor of technology in civil Jabalpur, India
 - CGPA: 7.46

SKILLS

- **Programming Languages:** Java, JavaScript
- **Frontend Technologies:** HTML5, CSS, JavaScript, React.Js, Router, Redux, Axios, Tailwind CSS, Bootstrap, Jest
- **Backend Technologies:** Node.Js/Express.Js, Rest APIs, SQL
- **Version Control:** Git
- **Core Subjects:** Data Structure and Algorithm, OOPS

PROJECTS

- **Recipe Vault - Recipe Search Functionality** March 2024
Tech Stack: React JS, Tailwind CSS, Axios (for API fetching) [\[G\]](#)
 - Developed a food recipe application allowing users to efficiently search over 1,000+ recipes by type or name using React JS and Axios for API integration.
 - Integrated third-party APIs to dynamically fetch and display recipe data, improving search response time.
 - Designed a responsive, dynamic user interface with Tailwind CSS, enhancing the user experience.
- **Portfolio - Responsive React JS Portfolio** April 2024
Tech Stack: React JS [\[G\]](#)
 - Developed a responsive portfolio website showcasing projects, skills, and experience using React JS.
 - Implemented dynamic sections with animated About and Skills sections, and a timeline to display Education and Experience, enhancing portfolio interactivity.
 - Built an interactive projects grid with detailed project cards, improving project navigation and presentation.
 - Designed smooth navigation with seamless routing and scrolling for an improved user experience.

CERTIFICATIONS

- **React(Basic) HackerRank Certification** January 2025
- **Complete Web Development Bootcamp** April 2024
- **SQL Bootcamp** March 2024
- **Python Programming for Everybody** March 2023
